Benefits of membership include:

- A **commitment** from the Board of Directors to serve and honor our members in a variety of ways.
- An **opportunity** for members to have a voice in the direction of art education, to act on issues affecting our work.
- An annual staff development **conference** which includes outstanding workshops, guest speakers, timely research findings, advocacy information, social events, commercial exhibits, and the opportunity to continue friendships, gain up-to-date information, and to go home with strategies you can use immediately in your workplace. Conference materials are sent in August to individual members as well as schools, universities, and museums.

Many art teachers tell us they look forward to this conference simply because it is their most energizing professional activity. Come and renew friendships, see new products in action, share common concerns, and find strategies that really work!

- **Opportunities** to make presentations and conduct workshops, attend in-service programs.
- **Publications**, such as ***Fresh Paint***, FAEA's quarterly newsletter, which shares division reports, activities and honors of members, curriculum ideas, informative advertising and more. Submissions of art work and articles are encouraged; contact lisa@faea.org for more information. Wet Paint is a flyer published occasionally and its focus is on a single timely topic.
- Our **Website** offers information that's wide in scope, and contains links to many sites of special interest to members.
- An **Awards Program** that recognizes excellence in the work of art educators. Awardees are recognized in *Fresh Paint*, the Conference program, and other appropriate listings.
- **Exhibition** of student art work through the K-12 Student Art Assessment and Virtual Exhibition.
- **Exhibition** of member art work through the Member Virtual Exhibition.
- **Leadership training** and opportunities through Districts Assembly, elections for the Board of Directors, and through appointed positions.
- **Associate Membership for Individuals** is for individuals not currently teaching who wish to belong to FAEA and would like to attend the conference, receive *Fresh Paint*, and legislative information and alerts throughout the year. This membership does not provide voting privileges or access to FAEA Student Visual Art Exhibition application process.
- **Associate Membership for Organizations** is for booster groups, community art groups, or institutions who wish to join FAEA. This membership will allow two (2) designees to receive *Fresh Paint*, to register for the FAEA Conference, and to receive legislative information and alerts. Organizations under this membership also receive special recognition for *Fresh Paint* advertising and discounts for exhibition at the conference.

Please note that membership dues are nonrefundable.
